AUTHORIZATION TO CONTRACT FOR SERVICES

FOR SECURITY MONITORING SYSTEM

USING A MID-MISSOURI PUBLIC PURCHASING COOPERATIVE BID

The Columbia School District is requesting approval to use a cooperative bid from the University of Missouri for furnishing and installing new security cameras at Hickman and Rock Bridge High Schools. This bid allows members of the Mid-Missouri Public Purchasing Cooperative to receive the same pricing as University of Missouri.

The Mid-Missouri Public Purchasing Cooperative was formed in 1994. Some of the members are the Columbia School District, City of Columbia, County of Boone and University of Missouri. Members of the cooperative are allowed to "piggy-back" off of the other member's contracts.

NOTIFICATION OF EXPENDITURE (POLICY DJF)

SECURITY SYSTEMS

AT ROCK BRIDGE AND HICKMAN HIGH SCHOOL

This expenditure is for replacing the security systems at Rock Bridge and Hickman High School. Alarm Communication has recently completed securing the new gym extensions at Rock Bridge and Hickman High Schools. For ease of use, all security should be on one system, giving the ability to arm and dis-arm different parts of the building from one station. Trying to retro-fit a new system or create a second system will make security for these buildings more difficult. Both schools will be using the keyless prox card software similar to what is currently being used at Aslin and Battle.
